

AFTK

AUSTRALASIAN FEDERATION OF
TRADITIONAL KARATE AND KOBUDO

STRATEGIC PLAN 2023-2026

VISION

Elevate the profile and practice of traditional karate and kobudo throughout Australasia.

PURPOSE

To support and collaborate with members to create a thriving community of traditional karate and kobudo practitioners that fosters opportunity for development, networking, and professional practice.

STRATEGIC OBJECTIVES

1. Technical Excellence

We will promote education and development through high-quality training opportunities with knowledgeable instructors in a positive learning environment.

2. Professional Practice

We will foster a shared understanding of professional and ethical standards that prioritise safety, accessibility and inclusion, qualified instructors, and the development of good character.

3. Collaborative Advancement

We will cultivate service leadership, promote friendly beneficial relationships among members and the wider community, and create a unified industry-recognised voice.

STRATEGIC OBJECTIVES

1. Technical Excellence

We will promote education and development through high-quality training opportunities with knowledgeable instructors in a positive learning environment.

2. Professional Practice

We will foster a shared understanding of professional and ethical standards that prioritise safety, accessibility and inclusion, qualified instructors, and the development of good character.

3. Collaborative Advancement

We will cultivate service leadership, promote friendly beneficial relationships among members and the wider community, and create a unified industry-recognised voice.
